The Land Of Ice And Snow
Stratovarius

The other version was incomplete, and had a mistake in it, so I did the whole thing and fixed the mistake in this version. Enjoy!

Bm

The land of ice and snow

Em       A

Where the midnight sun glows

Bm       A       Em

Hundred thousand lakes glow

Bm       F#       Bm

In the land of ice and snow

Bm       A       Bm

Northern lights guide our way

Em       A

Come whatever may

Bm       A       Em

Forest god protects our day

Bm       F#       Bm

In the land of ice and snow
Bm    A     Bm
Where Koskenkorva flows

    Em     A
Where the freezing wind blows

    Bm    A      Em
Summer nights are white and warm

    Bm    F#    Bm
In the land of ice and snow

    Bm    A     Bm
Some might say that we are cold

    Em    A
Don’t believe all that’s been told

    Bm    A      Em
Our hearts are made of gold

    Bm    F#    Bm
In the land of ice and snow

    Bm    A     Bm
We didn’t bow under oppression

    Em    A
We fought and we died

    Bm    A    Em
 Redeemed in blood

Bm      F#       Bm
The land of ice and snow

Bm       A          Bm
Here I was born and here I've lived

Em              A
And one day here I will die

Bm       A          Em
Under northern starry sky

Bm      F#       Bm
In the land of ice and snow...
