

Autumn  
Strawbs

**Em** **C**  
I sense Autumn coming on  
**Am** **Em**  
The mist has hung low all day  
**C**  
Small birds gather on the wing  
**Am** **Em** **D** **C**  
Preparing to make their way.  
**Am**  
The leaves begin to show  
**G**  
A trace of brown among the green  
**Am**  
Bringing back the memories  
**B7th**  
That only you and I have seen.  
**Em** **C**  
I sense Autumn coming on  
**Am** **Em**  
The sun sinking red and deep  
**C**  
The fires burning in the fields  
**Am** **Em** **D** **C**  
As late Summer falls asleep.  
**Am**  
The leaves begin to scatter  
**G**  
As the North wind calls their name  
**Am**  
Folding gently back into

B7th
