

Everybody Knows
Strawbs

[Intro]

D Am F Em D

[Verse]

When there s no other way
When there is nowhere left to turn
I ll be your runaway
Tonight
We ll find a hideaway
We ll let the storm clouds pass on by
While in our warm embrace we ll fly
We ll fly

[Chorus]

Everybody knows
It s only love will set you free, set you free
Everybody knows this time we ll fly

[Verse]

Let love become the way
Let love caress and heal your pain
Angels will find a way
Tonight
And in our open ways
And in the beauty of the world
We ll find our hearts will sing with joy
With joy

[Chorus]

Everybody knows
It s only love will set you free, set you free
Everybody knows this time we ll fly

[Chorus]

Everybody knows
It s only love will set you free, set you free
Everybody knows this time we ll fly

[Bridge]

Love to live and live to love
Follow feelings from above
In fascination we can reach
Elation
Take your dreams and let them go
Touch my heart and feel the flowing

River to the ocean
Such devotion
See the earth and feel the power
Have no doubt this is the hour
To stand together in complete
Celebration

[Chorus]

Everybody knows
Everybody knows
It s only love will set you free, set you free
Everybody knows this time we ll fly

[Chorus]
