---Verse---

C#

I m tired

Bbm

cynical and broken, but wiser

G#

heavy with a sense of resentment

F#

but i used to be so much different

i used to have so much faith

C#

when i started

Bbm

you knew that i always meant it

G#

i knew i could make a difference

i struggled to be heard

F#

and then finally, one day people started listening

C# Bbm G# F#

---Verse 2---

C#

and i knew it

Bbm

but as soon as it began it was ruined

G#

a slow descent from unique to routine

over and over

F#

just do it again and this time with feeling

C#

the spotlight

Bbm

the focus on the friends and the feelings

G#

that made those stupid songs all worth singing

and don t you say a word

F#

C#

Bbm G# F#

unless you re pretty sure that you want it analyzed

----Chorus----

C#

so we drove

for what seemed like days

Bbm

over roads

and four lane highways

G#

we said all we had to say

F#

C#

and I realized in time that it didn t mean anything

Reapeat Chorus

---End Part---

C*carried from verse* Am

It s only a matter of time
(Anything)

G#

It s only a matter of time

F#

It s only a matter of time

C#

It s only a matter of time
(Well never no never again)

Bbm

It s only a matter of time

(Not like that)

G#

It s only a matter of time

(Not like that)

F#

It s only a matter of time
