---Verse---

B

I m tired

G#m

cynical and broken, but wiser

F#

heavy with a sense of resentment

E

but i used to be so much different

i used to have so much faith

B

when i started

G#m

you knew that i always meant it

F#

i knew i could make a difference

i struggled to be heard

E

and then finally, one day people started listening

B G#m F# E

---Verse 2---

B

and i knew it

G#m

but as soon as it began it was ruined

F#

a slow descent from unique to routine

over and over

E

just do it again and this time with feeling

B

the spotlight

G#m

the focus on the friends and the feelings

F#

that made those stupid songs all worth singing

and don t you say a word

E

B

G#m F# E

unless you re pretty sure that you want it analyzed

----Chorus----

B

so we drove

for what seemed like days

G#m

over roads

and four lane highways

F#

we said all we had to say

E

B

and I realized in time that it didn t mean anything

Reapeat Chorus

---End Part---

C*carried from verse* Am

It s only a matter of time
(Anything)

F#

It s only a matter of time

E

It s only a matter of time

B

It s only a matter of time
(Well never no never again)

G#m

It s only a matter of time

(Not like that)

F#

It s only a matter of time

(Not like that)

E

It s only a matter of time

B

It s only a matter of time
