---Intro---

D Bm A G

---Verse---

D

I m tired

Bm

cynical and broken, but wiser

A

heavy with a sense of resentment

G

but i used to be so much different

i used to have so much faith

D

when i started

Bm

you knew that i always meant it

A

i knew i could make a difference

i struggled to be heard

G

and then finally, one day people started listening

D Bm A G

---Verse 2---

D

and i knew it

Bm

but as soon as it began it was ruined

A

a slow descent from unique to routine

over and over

G

just do it again and this time with feeling

D

the spotlight

Bm

the focus on the friends and the feelings

A

that made those stupid songs all worth singing

and don t you say a word

G

D

Bm A G

unless you re pretty sure that you want it analyzed

----Chorus----

D

so we drove

for what seemed like days

Bm

over roads

and four lane highways

A

we said all we had to say

G

D

and I realized in time that it didn t mean anything

Reapeat Chorus

---End Part---

C*carried from verse* **Am**

It s only a matter of time
(Anything)

A

It s only a matter of time

G

It s only a matter of time
