Living in fear because the world is cold
      Am
And hope might be coming but you never know.
          C
There are dead end streets around every turn.
      Am   **C**(strum once)
And a road map too beaten up, torn, and burnt to read.

Dead weight carried on for miles and miles.
    Am
And someone s telling jokes but you never smile,
      C   **Am**
As the rows of tombstone houses pass you by.
    C
And I say, you say, we say change.
    Am
But we all know just what they say.
    C   **Am**
The more things change the more they stay the same.
                  C(strum once)
They just stay the same.
