One More Time

The lyrics may not be all correct - the ones in brackets are the ones I m
not sure of. Maybe you can help me here...

B **A** **B** **A**
Heard a little rumour that s been going round town

B **A** **B** **A**
He was your boyfriend I was your clown

B **A** **B** **A**
I was waiting in the wings cause I knew he didn t care oh yeah

B **A** **B** **A**
And when he told you so I was standing right there uh huh

Pre-Chorus

G **A**
Is your heart still cold (is the heat not there)

G **A**
Have you had a change of mind

G **A**
Call it love, honey I don t care

G **A**
Get it up one more time
