What Kind Of Love Is This-Streetheart

A **D**
I don t hear a word, I don t hear a thing,
G **A**
I need something to make me feel better.

A
I ve tried her at home,
D
I ve tried on the phone,
G **A**
But somehow I can t seem to get her.

E **A** **E** **F#**
I m waiting in line, I m wasting my time.
D
Again and again
A **E**
I keep hoping there s love in her eyes.

Chorus

G **D** **A**
What kind of love is this?
G **D** **A**
Kind that keeps me standing in line.
G **D** **A**
What kind of love is this?
G **D** **E**
Ooo-ooo-ooo-ooo.

A **D**
Why can t it be that when she needed me,
G **A**
Are memories so hard to recover?
A
I m nobody s fool,

She s mean when she s cruel,
G **A**
She s saving herself for another.

I keep hoping there s love in her eyes.
