

We Are The Few
Streetlight Manifesto

Hey, this is me trying to simplify the song and play it on acoustic. I hope it helps!

The X s mean just a scratch stroke. The pattern you follow is marked out by the words
the X s are over.

[Verse]

Dear

C G Am

F

Mr. Gepetto: I hope this finds you well

G C G

I wrote this letter

A5 E5 F

cause we miss you here in hell

C

G

And now I know it s hard when you don t know what to think

Am

F

G

And every single smile is a thorn when you re waking up

C

G

Am

You might try but you won t get by until you re crucified for all the

F G

things you try to do

C

G

Well I don t care if you sink or swim

Am

Em

And I don t care how you hold it in

F

C

F

G

As long as you don t bother me with all the things I don t bother you with

C

G

And 9 times out of 10 you might be right

Am

Em

But what about that time you know you re wrong?

F

C

Keep singing that same song

F

G

And everybody smiles but they ll never get along

Nobody cares and nobody stares with such conviction and I say:

C5 **G5**

I never wanted this, no one ever wanted this

A5 **F5** **G5**

But they gave it to me so I might as well be proud of it

C5 **G5**

And I don't know where we went wrong

A5 **F5** **G5**

All I know now is I got to do something right

[Verse]

F G C G

So come clean

Am F G C G

No one should have to live with the things you've seen

A5 E5 F

But you're living anyway

C G

Well I stop the car and put her in park

Am F G C

And I step outside (god I hate this part)

G Am

When I see what I saw what I thought was a lie; it was more

F G

Than a chore I'm just doing what I need to get

C G

I don't care if you leave or stay

Am

But we might as well split

Em F

Because it's not the same as it was

C

When we said our last goodbye

F G

And if you want the truth: I was hoping one of us would

C G Am

Pass away because it'd be much easier then

Em F

We could all get together and think about when

C F

We were young we were dumb we were numb but in love

G

And I'm done so I'm sending out this letter today
