STRIKE ANYWHERE INSTINCT ACOUSTIC
BAND: Strike Anywhere
SONG Instinct
ALBUM: DEAD FM
I would play all the chords as powerchords but it sound great with normal chords too
The G (1) chords are played like this;
```
E|---|
B|---|
G|-7-|
D|-5-|
A|---|
E|---|
```

```
C#                    G#              C#                          F#  (1)
```
So I ll write these words now for you my friend here after all this time
```
C#         G#                        C#        F# (1)
```
we may never sing this one it s just here as a light to help you
```
Bb            G#                  F#              C#
```
When the power goes out like the moments you might shake
```
         Bb                        G#
```
yourself awake from those horrible dreams
```
         F#              C#
```
the only ones we never talk about

```
        Bb                  G#
```
The glare of madness in grown-ups eyes
```
    F#                        C#
```
the rage that takes the whole room by surprise
```
     Bb                        G#              F#
```
this vicious trap the male cultural disguise
```
        C#        G#
```
is the one we fight against

```
Bb        G#        C#
```
We Go, We Go, We Go
```
F#
```
the one we fight against
```
Bb        G#        C#
```
We Go, We Go, We Go

```
Bb                      G#          C#                                 F#
```
So I ll write these words now for you my friend here after all this time
```
Bb            G#                         C#        F#
```
we may never sing this one its just here as a light to help you

```
Bb                      G#        F#                        C#
```

The sickness the silence as you hide in your room
Bb   **G#**   **F#**   **C#**
wishing so hard they d forget you re alive but you re alive

         Bb   **G#**   **F#**
so the sight of broken things won t mean a pound of flesh
                  C#   **Bb**
and the time you speak up won t be repaid by fists
G#   **F#**   **C#**   **G#**
praying not to be missed the night you ran away

Bb   **G#**   **C#**
We Go, We Go, We Go
F#
the night you ran away
Bb   **G#**   **C#**
We Go, We Go, We Go

Bb   **G#**   **C#**   **F#**
So I ll write these words now for you my friend here after all this time
Bb   **G#**   **C#**   **F#**
we may never sing this one its just here as a light to help you

Bb -BREAK-   **C#**
        This violence passes for an apology
Bb -BREAK-   **C#**
         the trickle down in our society

Bb   **C#**   **G#**
This is for the peace you never had
Bb   **C#**   **G#**
This is for the peace we never had
Bb   **C#**   **G#**
This is for the peace we never had

F# (single strum)   **F#**
How do we guard the door against your Dad?

Bb   **G#**   **C#**
We go, We go, We go
F#
the night you ran away
Bb   **G#**   **C#**
We go, We go, We go

Bb   **G#**   **C#**   **F#**
So I ll write these words now for you my friend here after all this time
Bb   **G#**   **C#**   **F#**
we may never sing this one its just here as a light to help you
