B D# E F#  
A look of discontentment fills your hazel eyes  
B F# E  
As I ask for the millionth time what s goin on?  
B D# E F#  
You seem to be confused about just where you stand with me tonight  
B F# E F#  
As we tear apart all that wasn t lost to another fight

C# D# E  
And so we turn against each other once again  
G# F# E  
You run and I go hide  
C# D# E  
Talkin to myself again about all the things I should ve said  
G# F# E F#  
I wait for you  
G# F# E F#  
And I still wait for you

B G# F# E  
B G# F# E

B D# E F#  
I wanna know where this is going and do we  
B F# E  
Still have a chance to save what we haven t lost again  
B D# E F#  
I made a promise to myself not to let this go  
B F# E F#  
But now I need to see this through to burn these paperwalls of doubt

C# D# E  
And so we turn against each other once again  
G# F# E  
You run and I go hide  
C# D# E  
Talkin to myself again about all the things I should ve said

**G# F# E F#**

I wait for you

**G# F# E F#**

And I still wait for you

**B**

My fucked up head is spinning round

**G#**

And all my thoughts just keep me down

**F#**

Here on your doorstep

**E**

I m drunk again

**B**

And I know you re sick of all my shit

**G#**

And I know you wanna end this

**F#**

**E**

So tell me right now where do you stand?

**B**

I know your tired of this waiting game

**G#**

And I know your tired of all my ways

**F#**

I know you re tired of it all

**E**

Just tell me now

**B**

**E**

I wanna know where this is going and do we

**G#**

**F#**

Still have a chance to save what we haven t lost inside

**B**

**E**

All these paperwalls we build and all the ashes that have spilled

**G#**

Get in the way

**F#**

Get in the way

**C#**

**D# E**

And so we turn against each other once again

**G# F# E**

You run and I go hide

**C#**

**D# E**

Talkin to myself again about all the things I should ve said

**G# F# E F#**

I wait for you

**G# F# E B**

I still wait for you
