F

One o one point one Fahrenheit

C#

To some it s a fever, to her it s just right

D#

F

And I can t hold her and it s bringin me down

F

Her blood runs hot but her heart beats cold

C#

She s a devil with an angel s face I ve been told

D#

G#

G

F

I think I ll push my luck next time you re around

D#

Well I d walk through fire for you

F

I d burn in hell to make it all true

C#

D#

G#

G

F

But I never loved anyone else in this world but you

C#

D#

A thousand reasons why I try to prove to you I m not the other guy

C#

D#

C

I don t give a damn what other people think

F C# D#

F F C# D#

G# G F

F

A flare for the strange and a temper like a whip

C#

A soft hand clutches a riding crop grip

D#

F

Smell of latex rubber it drives me insane

F

Beat him once then send him on his way

C#

There s no room in your life for anyone to stay

D#

G#

G

F

Engrave your moniker in welts of pain

D#

There s nothing I wouldn t do to prove

F

To make these words I promised true

C#

D#

G# G F

I d rather live my life alone than without you

C#

D#

You know I d rather die then to fuck this up wouldn t get another try

C#

D#

C

Got one chance there s nothing I wouldn t do

A#

F

You be my master, I ll be your servant

C#

D#

F

On my knees I beg to be abused

A#

You can take the skin right off my back

F

With a riding crop or a leather strap

C#

D#

G# G F

I d take it all just to be with you

D#

Well I d walk through fire for you

F

I d burn in hell to make it all true

C#

D#

G# G F

But I never loved anyone else in this world but you

C#

D#

A thousand reasons why I try to prove to you I m not the other guy

C#

D#

C F F F

You re my goddess and I worship you
