We ve been saling in the ocean with a compass, and it s broken and it seems we  
**C**  
haven t spoken for a while,  
**Fmaj7** **C** **Fmaj7**  
Our paper sails are ripped and torn and our wind therein is gone, so we ll drift  
**C**  
until we see the light of day,  
**Fmaj7 C Fmaj7 C**  
oh oh oh, oh oh oh,  
**Fmaj7** **C** **Fmaj7**  
Well we woke up hand in hand with the promise of dry land, it was close enough  
to fill us with relief,  
**Fmaj7** **C** **Fmaj7**  
**C**  
But we ve got nowhere to go and no way to go back home, so it seems we re all  
alone in this place,  
**Cmaj9** **Am**  
and oh it s gonna be a long long night,  
**Cmaj9** **Am**
