Into holy passion for You

Come refine with fire from above  
**F#**                    **G#m7**                    **F#/G#**        **B**  
Till I am cast in Your righteousness  
**G#m7** **F#/B**            **B/G**                    **F#**  
And I love the things that You love

**F#**                    **G#m7**                    **F#/G#**        **B**  
Breathe Your forgiveness when darkness falls  
**G#m7**            **F#/B**            **B/B**            **F#**  
And my heart is heavy with sin  
**F#**                    **G#m7**                    **F#/G#**        **B**  
Fill me with faith for the higher cause
