Em **D**
Don't don't ask me to explain
C **Em**

More than words could ever say
C **Em**
Every time I hold you
D
When you're happy when you're sad
C **Em**
Through the good times and the bad
D
No matter what you do I'm hanging on and on and on

C **D** **Em** **D**
And if an angel comes my way I'm gonna try to catch her if I can
C **D** **Em** **D**
Do anything to get her to stay, baby that's the way I am
C **D** **G** **D** **C** **D** **Em**

You can call me stupid, say I should give you up but I can't do it
That's the way I am
