DESERT MOON by Dennis Deyoung

[Intro]

**D Bm G A**

**D Bm G ...A**

**D D D D**

**D**

Is this the train to Desert Moon

**Bm**

was all she said.

**G**

But I knew I d heard that

**A**

**D**

stranger s voice before.

**D**

I turned to look into her eyes,

**Bm**

but she moved away.

**Em**

She was standing in the rain.

**C**

Trying hard to speak my name.

**Bm A**

**G**

They say first love never runs dry.

**D**

The waiter poured our memories

**Bm**

into tiny cups.

**G**

We stumbled over

**A**

words we longed to hear.

**D**

We talked about the dreams we d lost,

**Bm**

or given up.

**Em**

When the whistle caught the night.

**C**

And shook silence from our lives.

**G**

As the last train

**A**

**G**

rolled toward the moon.

**D**

Those summer nights. When we were young.  
We bragged of things, We d never done.

**G**

We were dreamers,

**A**

only dreamers.

**D**

And in our haste, to grow too soon,  
We left our innocence on Desert Moon.

**G**

**A**

We were dreamers, only dreamers.

**G**

On Desert Moon.

**D**

On Desert Moon.

**G**

On Desert Moon.

**D**

Desert Moon.

**F A**

**D Bm G A**

**D Bm G A**

**D**

I still can hear the whisper

**Bm**

of the summer nights.

**G**

It echoes in the

**A**

**D**

corners of my heart.

**D**

The night we stood and

**Bm**

waited for the desert train.

**G**

**A**

All the words we meant to say.

**G**

**A**

All the chances swept away.

**Bm**

**A**

**G**

Still remain on the road to undo.

**D**

Those summer nights,  
when we were young.

We bragged of things  
we d never done.

**G**

We were dreamers,

**A**

only dreamers.

**D**

Moments pass,  
and time moves on.  
But dreams remain

for just as long,

**G**

As there s dreamers.

**A**

All the dreamers.

**G**

On Desert Moon.

**D**

On Desert Moon.

**G**

On Desert Moon.

**D**

Desert Moon

Repeat and fade...

- this is my best guess by picking my guitar along with the .mp3 - enjoy! Page
