

Don't Let It End

Styx

{Intro}

**C# C#sus4 C# C#sus4**

{Verse}

**C# Fm/C A#m C#/G#**

What can I do pictures of you still make me cry

**A#m/F# D#m/F# A#m**

Trying to live without your love

**Fm7 F#(add6)**

It s so hard to do

**G#/F#**

Some nights I ll wake up

I ll look at your pillow

**G#**

Hoping that I ll see you there.

**C#**

**Fm/C**

But I get up each day, not much to say

**A#m**

**C#/G#**

I ve know where to go

**A#m/F# D#m/F# A#m**

Loneliness fills me up inside

**Fm7 F#(add6)**

Cause I m missing you

**G#/F#**

So if you ll give us a chance to remember

The love we had once together

**Fm7**

**A#m**

Wait and see time is all that we really need

**G# C#/G# G#**

I m praying you won t say no

I mean to tell you

{Chorus}

C#

Don t let it end

Fm/C G#(add2)

Baby we could have so much more

C#

Don t let it end

Fm/C G#(add2)

Honey please don t walk out that door

A#m

G#/A#

I m telling you baby, I made my mistakes

A#m

G#/A#

But I ll make you this promise to do what it takes

F#

G#/F#

I ll be there to protect you and hold you tight

F#

G#

You got my lovin baby every single night

{Chorus}

C#

Don t let it end

C#7/B A#m7 A B

I m begging you, don t let it end this way

C#

Don t let it end

C#7/B A#m7 A

I m begging you, don t let it end this way.

{Chorus}

C#

Don t let it end

Fm/C G#(add2)

Baby we could have so much more

C#

Don t let it end

Fm/C G#(add2)

Honey please don t walk out that door

**C#**

Don t let it end

**C#7/B                      A#m7                      A    B**

I m begging you, don t let it end this way

**C#**

Don t let it end

**C#7/B                      F#                      G#**

I m begging you, don t let it end this way. no no

{Final}

**C#   C#7/B    F#/A#   F#m/A   C#   C#7/B   F#/A#   F#m/A**

no    no, no, no.....

**C#**

What will I do

**C#7/B**

If you say we re through

**F#/A#                      F#m/A**

I need you to stay, honey

**D#m/F#                      G#    C#    C#sus4   C#   C#sus4**

Don t let it end this way.....

**C#   C#7/B    F#/A#   F#m/A**
