

Mr Roboto
Styx

Tabbed by: John Mercer
Email: *

This is the first tab that I know of on the internet.
The timing is probably off, no wait they are off!
Especially on the voice parts at the end.
Just listein to the tune and you ll get it easy!
If you can play the keyboard parts, your a better man than I!!!

Intro:(shit load of keyboard stuff, just play this along with it)
