

Radio Silence
Styx

Intro

Em A D D
Em A D C
Em A D C C
A A A A A

verse 1

Em A A D Em
Clear blue skies above and all I feel is love
A D D
In this dream
Em A Em C C
Sand, water, the earth beneath my feet
Bm A
I feel complete
Em A G D Em
I wake to darkness remembering the fear I really hear
A D
So far away

Instrumental

C D

verse 2

E A D C
Lost, helpless were words I d never say
Bm A A A
Until this day Yeah, yeah
A C
All I get is

C G D Em
Radio silence, silence. No communication.
C G D Em
Radio silence. Anybody, can you hear me?
C C
I need a little mercy
A A
It s gonna take a little faith to see
G G
The Mission
D D
It all comes down to me

Instrumental

Em A D

verse 3

Em A D
Full engines on, separated from the mother ship
D Em A D C
Retro rockets fired. This is real
Em A D C
Hypergolic fumes, Hyperbolic tunes, It s a symphony of fear
C A A A
But I m still here. Yeah, yeah. I got it.

C G D Bm Em
Radio silence. No communication
C G D Em
Radio silence. Anybody, can you hear me?
C C
I need a little mercy
A A
It s gonna take a little faith to see
G G D D D
The Mission, It all comes down to me
D Em
And only me

Instrumental

G Em Em G

verse 4

D D D D
SOS, It s anyone s guess
Em G
Can we make it?
Em Em Em Em
Tied to the beast. I m just a small piece
C G
Out here naked
D D D A
It s a sacred ship but step by step
Em C
I m gonna save it
C C G
Heaven knows I need my crew
A A Bm
But how the hell do I get through to you?

Instrumental

C G A A
D D Bm Bm

D G

C G
Radio silence. It s all on me

D G
No communication

C G
Radio silence

D Em
Anybody, can you hear me?

C C
I need a little mercy

A A
It s gonna take a little faith, I see
