

Sweet Madam Blue
Styx

From: *.* (Dan Baderman)

Flash back time.... OK - I said it before but I need to repeat this disclaimer - for those of you who want exact notes/timing - get the recording. I learned this puppy off an 8-trk tape ~15? years ago. I play the intro every once in a while when I m fooling around, and this is how I remember it. I m not even sure what the name is.... the request was for _Madam Blue_, but then during correspondance wrote (sweet) Madam Blue... Anyways this is my recollection:

(as per * hazy memory....)

down strum

V -> up strum

My brain hurts -someone else posted the following, and as I can t remember the rest of the song, I will just include it. NOTE: I am sorry I have no idea who submitted the following - it was forwarded to me without credits...

>It s a variation on Bm:

```

>-----2-----0-----2-----0-----|
>-----3---3-----3---3-----3---3-----3-----|
>-----4-----4---4---4-----4---4-----4---4-----3-----|
>-----4-----4---4---4-----4---4-----4---4-----2-----|
>---2-----0-----4-----|
>-----3-----2-----2-----|

```

>Repeat 1000 times while crooning softly. The power chord part is
>fairly easy to figure out: all Bm, A, G, D, and E
