Standard Tuning

**G**                    **A**                    **Bm**                    **F#m**  
Every breath I take is heavy with the thought of you  
**G**                    **A**                    **Bm**                    **F#m**  
The moment I awake I m chasing signs  
**G**                    **A**  
Never give up, I never give up  
**Bm**                    **F#m**  
It s never enough, it s never enough  
**G**                    **A**                    **Bm**                    **F#m**  
You re not the one that s scared that the sun won t shine on me

**G**                    **A**                    **F#m**                    **Bm**  
I ve been holding on for some type of miracle  
**G**                    **A**                    **F#m**                    **Bm**  
I ll be right there if you re ever alone  
**G**                    **A**                    **F#m**                    **Bm**  
Holding on for some type of miracle  
**G**                    **A**                    **F#m**                    **Bm**  
I ll be right there if you re ever alone

**G**                    **A**                    **Bm**                    **F#m**                    REPEATED

**G**                    **A**                    **Bm**                    **F#m**  
Every step I take is heavy with the thought of you  
**G**                    **A**                    **Bm**                    **F#m**  
The moments I delay will make you mine  
**G**                    **A**  
Never give up, I never give up  
**Bm**                    **F#m**  
It s never enough, it s never enough  
**G**                    **A**                    **Bm**                    **F#m**  
You re not the one that s scared that the sun won t shine on me

**G**                    **A**                    **F#m**                    **Bm**  
I ve been holding on for some type of miracle  
**G**                    **A**                    **F#m**                    **Bm**  
I ll be right there if you re ever alone

**G**        **A**        **F#m**                **Bm**  
Holding on for some type of miracle

**G**        **A**                **F#m**                **Bm**  
I ll be right there if you re ever alone

**G**        **A**        **Bm**        **F#m**        REPEATED

If you re ever alone...

And I m holding

And I m holding on

And I m holding

And I m holding on

And I m holding

And I m holding on
