

Spun

Sublime with Rome

G **Em**
I m spun, just like a raisin in the sun
Am **D**
I m fried up but the fun has just begun
G **Em**
And I swear, with all the love inside my head
Am **D**
I ve gotta dish it out and gotta share
C **D** **C**
But lately I ve been walking this road, searching for an end
D
But I ve finally figured out

G **Em**
Ban me from your company
Am **D**
And I ll meet you where the sunlight meets the gold
G **Em**
Oh show me something I ve never seen
Am **D**
And I promise I ll be right there waiting

G **Em**
I m free, from all the judgment that you put on me
Am **D**
And I know it grows and I know it dies inside
G **Em**
I shake, and just so I can get a breath
Am **D**
Cause if they had it their way they d push me to my death
C **D** **C**
Cause I ve been walking this road, searching for an end
D
But I ve finally figured out

G **Em**
Ban me from your company
Am **D**
And I ll meet you where the sunlight meets the road
G **Em**
Oh show me something I ve never seen
Am **D**
And I promise I ll be right there waiting

C **G**
And destroy what we ve made this time
C **G B C**

And watch it grow and die inside

G B C G B C
Oh, we ll watch it grow and we ll watch it die
C

Oh, this time it s for real we ll watch it die
G Em Am D

Ooh ... ooh, and we ll watch it grow and die

G Em Am D

Ooh ... ooh, and we ll watch it grow and die

G Em Am D

Ooh ... ooh, and we ll watch it grow and die
