[Verse]

A **F#m**
She s got a knack for hurting me,

Is it the words she says.

A **F#m**
The only thing that keeps me here,

Are her eyes in the morning.

[Bridge]

D **E**
I ve packed my things a thousand times, ooh.

D **E**
And I ve faked believe all her lies, for the last time.

[Verse]

A **F#m**
The other day I drew myself a map,

So I could figure out your head.

A **F#m**
The canvass dripped with my sweat, blood and tears.

And she hated every thread.

[Bridge]

D **E**
I ve packed my things a thousand times, ooh.
D **E**
And I ve faked believe all your lies, for the last time.

[Chorus]

A **C#**
Take it or leave it.
F#m
Cause I m really leaving.
A
I ve purchased my ticket to New York.
D
First thing in the morning,

Kissing you good morning,
Bm
And whispering goodbye.

A **C#**
Take it or leave it.
F#m
Cause I m really leaving.
A
I ve made up my mind this time
D
There s no coming back for you
Bm
Oh, there s no coming back for you.

Told her no purse is more important,

Than the knowledge in her head.
A **F#m**
She grabbed her shit just like a baby.

I can't believe the words I said

A **F#m**

The only thing I ever see her read,

Are those damn gossip magazines.

A **F#m**

They fill her head with all that nonsense, yeah

So she can fit in with the scene
