

Wherever You Go
Sublime with Rome

I wanna be bad with you girl like we re robbing a bank
I wanna be mad at the world like you took you away
Don t wanna be mad at myself for my stupid mistakes
I wanna go back, I wanna be mad, I wanna go back to the days

Just tell me we can
Just for the weekend
Go somewhere far, go somewhere nice, yeah
No time for thinking
Gone in a blink, yeah
Just you and I, we ll move it slow

Wherever you go
I wanna know
I wanna walk you to the shore
Break down the walls
Run through the fire
Promise me now you ll always stay wild
Wherever you go oh oh oh
I wanna know oh ohh
Don t let me go
Don t let me wander out your sight

I m gonna be mad when I show up and there s somebody there

Inside of my bed sleeping with you man

I ll shoot him right there
