

Legalize It
Sublime

booerkashot.

of course, this one goin out to all the real heads.

```
intro riff (x4)
e-----|
b-----|
g-----3-----|
d-----4--4--4-----6--6--6--2--4--4--4-----2-----|
a-----4-----|
e-----|
```

^^the above riff is continuously played throughout the song.

rhythm part (after four bars of the intro riff, a second guitar comes in)
play upstrokes on two and four (reggae style)

```
e-----2-----2-----0-----0-----|
b-----2-----2-----0-----0-----|
g-----3-----3-----1-----1-----|
d-----4-----4-----2-----2-----|
a-----|
e-----|
```

thats all, and after every four bars, a funky drum fill.

lyrics (done by me, so whatever)

legalize it
don t criticize it
legalize it, yeah
and i will advertise it
some of them call it ganja
some of them call it buddha
some call it marijuana, yeah
i still call it (stoned mummbling)
people smoke it
and players of double bass too
doctors smoke it
my mom smokes it
my dog smokes it
i smoke it too

only cure for asthma
only cure for glaucoma
(thats where the song ends i think)
