Right Back Sublime

```
Verse 1
С
Sleepin by yourself at night can make you feel alone
your girlfriend said so, but I really don t know
вb
that don t mean we fucked around
Α
that night last week when you left town
Verse 2
C
Was tweakin by myself one night that s when I wrote this tune
didn t have no need for that bed in my hotel room
вb
uh-huh, sometimes right now since I ve left the bend
Α
feels like I m right back there again
Chorus
F
            G
sometimes I pray
                           G
F
waiting, waiting for some bright holiday (holiday)
\mathbf{F}
                      G
So I bought myself a gun
                                           G
F
and I m right back, right back where I m from
Verse 3
