There are variations that can be played for the outro, such as...

```
G|-----|
D|------|
A|-3-3--3-1-1----1|
E|----3----1h3---|
```

It took me about 3 times longer to actually tab the song than to figure out how to play it, but I am almost 100% sure that it is correct. Just listen to the song and you will pick up the rhythm. If you have any questions or comments, please e-mail me. I am interested in knowing what you think.
