*I lived in this madness

*And wondered what it s all for

*Rest of the verse you just strum the chords

```

Em           C
I ve held onto my problems,

           G           D
When I should have let them go

```

Em **G**
I m weak from the hatred that,

C **D**
I have come to know

Chorus

G **D**
This isn t what I wanted

Em **C**
What I need now is you

G **D**
Falling... Drowning...

Em **C**
As my weight is breaking through

G
Help me I m falling

Verse

*Play the intro part for next 4 lines

Em **C**
When I think of how cheap,

G **D**
The price of fame has become,

Em **G**
Is it all worth it,

C **D**
To try and be number one

*Just strum chords

Em **C**
It s hard to remember,

G **D**
who I was When this began,

Em **G** **C**

It s hard to take the lessons that I ve learned,

D

And make amends,

Chorus again...

*Extra part to the end of the chorus

D

I m falling,

Bridge

C **G** **D**
Sleep on the sheets of this bed i ve made

C **G** **D**
A house of cards that I once made will fall today

C **G** **D**
My times out of greed, of love and pain

C **G** **D**
It Will fall to me in the frozen rain

Chorus again... x2
