

**Barriers**  
**Suede**

**Intro: D G Bm G (3x)**

**Verse:**

**D G**  
Aniseed kisses and lipstick traces,

**Bm G D**  
lemonade sipped in Belgian rooms

**D G**  
couldn't replace the graceful notions

**F Gsus2 G**  
that clung to me when I clung to you.

**D G**  
And they touched you like no one touched you,

**Bm G D**  
when you broke they were there with glue,

**G D**  
and their kindness was not a weakness

**F Gsus2 G**  
when they were there they were there for you.

**D Gm**  
But will theeeeey love you,

**D Bm**  
the way, the way I loved you?

**A G**  
we jumped over the barriers

**A Bb A**  
jumped over the barriers.

(Follow the same pattern for the rest of the song)
