**Suede**

*Intro:* Bb Cm Gm Dm Cm G# F

                  Eb                                  Dm  
And I m not too scared to love you on the darkest days  
F  Gm  
And I m not too scared to watch it fail  
                  Eb                                  Dm  
And I m not too scared to watch you let it slip away  
Cm  D  
And pull a wire through our daisy chain

Well you wake me when I scream  
Kiss the anger out of me  
Well we pushed and cried  
But we tried and tried again  
Pouring petrol over her  
Strike a match and watch it burn  
We re anaesthetised but we ll learn to rise again
