

**Darkest Days**  
**Suede**

*Intro:* B C#m G#m Ebm C#m A F#

**E**                                  **Ebm**  
And I m not too scared to love you on the darkest days  
**F#**  **G#m**  
And I m not too scared to watch it fail  
                  **E**                                  **Ebm**  
And I m not too scared to watch you let it slip away  
**C#m**  **Eb**  
And pull a wire through our daisy chain

Well you wake me when I scream  
Kiss the anger out of me  
Well we pushed and cried  
But we tried and tried again  
Pouring petrol over her  
Strike a match and watch it burn  
We re anaesthetised but we ll learn to rise again

*Chorus*

Solo 1 ( **G#m A** (3x) - **B** )

*Chorus* 2x

Solo 2 (*Chorus* chords)
