

Down

Suede

B C#m
All the people in your life say you re down
B C#m
And the strangers in the night say you re down
Ebm E A
And the loonies on the right say you re down
F#
and you re down

B C#m
And the ambulances sigh that you re down
B C#m
And the traffic speeding by say you re down
Ebm E A
And the people in your mind say you re down,
F#
and you re down

D D G
Hey, you chase the day away,
D D G
Hey, you draw the blinds and blow your mind away,
Em D
There s a sadness in your eye
Em D
And there s a blankness in your smile,

Verse 2:

And the people in the park say you re down,
And the strangers in the dark say you re down,
And the pissheads in the bars, say you re down, you re down
And the audiences cry that you re down,
And the ambulances sigh that you re down
And the boyfriends and your love say you re down, you re down

chorus

Hey, you chase the day away
Hey, you draw the blinds and blow your mind away,
There s a sadness in your lite,
There s a madness in your smile

Hey, you chase the day away
Hey, you draw the blinds and blow your mind away,
There s a sadness in your lite,
There s a madness in your smile
