**Suede**

Intro: **F#m Bm D C#m C#**

Verse (0:16)

**F#m** **Bm**  
 With the sunrise burning into your green eyes,  
**D** **C#m** **C#**  
 Adam and Eve on faultlines greet the golden dawn.  
**F#m** **Bm**  
 Is it birdsong or is it just the car alarms  
**D** **C#m** **C#**  
 Making us feel so young, naked as the faun?

Chorus (0:52)

**F#m** **C#m** **C#m** **F#m**  
 Celebrate the pale dawn, celebrate the birdsong,  
**F#m** **C#m**  
 Celebrate, this is your time,  
**C#m** **F#m**  
 Although we live in the wreckage and on the faultlines.
