

**Faultlines**

**Suede**

Intro: **G#m C#m E Ebm Eb**

Verse (0:16)

**G#m C#m**  
 With the sunrise burning into your green eyes,  
**E Ebm Eb**  
 Adam and Eve on faultlines greet the golden dawn.  
**G#m C#m**  
 Is it birdsong or is it just the car alarms  
**E Ebm Eb**  
 Making us feel so young, naked as the faun?

Chorus (0:52)

**G#m Ebm Ebm G#m**  
 Celebrate the pale dawn, celebrate the birdsong,  
**G#m Ebm**  
 Celebrate, this is your time,  
**Ebm G#m**  
 Although we live in the wreckage and on the faultlines.
