

It Starts And Ends With You
Suede

C

Like a cog without a martyr

Am

Like an effigy of balsa

F

Like a hairline crack in a radiator

G

Leaking life

C

I shout out but I just spin faster

Am

I crawl out but my knees are water

F

G

I cling on by my nails to the sweet disaster

C

And I fall to the floor like my strings are cut

Am

Pinch myself but I don't wake up

F

G

Spit in the wind cause too much is not enough

C

It starts and ends with you

G

Am

F

It starts and ends with you

C

And I've worn so many faces

Am

Shot my love at fifteen paces

F

G

My inheritance is all the thoughts I can't sweep away

C

I shout out but I just spin faster

Am

I crawl out but my knees are water

F

G

I cling on by my nails to the sweet disaster

C

And I fall to the floor like my strings are cut

Am

Pinch myself but I don't wake up

F

G

Spit in the wind cause too much is not enough

C

It starts and ends with you

G

Am

F

It starts and ends with you

C

I shout out but I just spin faster

Am

I crawl out but my knees are water

F

G

I cling on by my nails to the sweet disaster

C

And I fall to the floor like my strings are cut

Am

Pinch myself but I don't wake up

F

G

Spit in the wind cause too much is not enough

C

It starts and ends with you

G

F

It starts and ends with you

Am

F

C

It starts and ends with you

Am

F

C

Am

G

It starts and ends with you

C

I shout out but I just spin faster

Am

I crawl out but my knees are water

F

I shout out but I just spin faster

G

I crawl out but my knees are water...
