

**Life Is Golden**  
**Suede**

[Intro]

B            D#m

[Verse 1]

B

The same blood runs through your veins

D#m

The same strange way of talking

B

The same thoughts sink through your pillow

C#

The same crooked smile

[Chorus]

F#

You re not alone; look up to the sky and be calm

A#m

You re not alone look into the light and be heard

D#m

B

You re never alone; your life is golden

C#

Golden

[Verse 2]

B

The same blood runs through your veins

D#m

But you have the light of your mother

B

She holds her love to her

C#

Tender breast

[Chorus]

F#

You re not alone; look up to the sky and be calm

A#m

You re not alone look into the light and be heard

D#m

B

You re never alone; your life is golden

C#

Golden

[Chorus]

F#

Not alone; when the world puts all the winter in you

A#m

Not alone; I m there in the words that you use

D#m B

You re never alone; your life is golden

Bb

Golden

[Bridge]

D#m A#m

And they won t love you tonight

D#m A#m B C#

Clap along to the resurrection

D#m A#m

Carve your name in my tender skin

E

With your beautiful words

C#

With your beautiful words

[Chorus]

F#

You re not alone; look up to the sky and be calm

A#m

You re not alone look into the light and be heard

D#m B

You re never alone; your life is golden

C#

Golden

[Chorus]

F#

You re not alone cause the same thoughts I have in my head

A#m

You re not alone with the city wind in your hair

D#m B

You re never alone; your life is golden

C#

Golden
