Bb Dm
Oh, through the red lights, the amber, the silent mannequins
G# Cm (Eb F Eb)
The crumpled mothers in their seats
Bb Dm
Pull into morning through the stations, the smell of chemicals
G# Cm
Do I want you because you re outside reach?

F
Oh, it s all there for us
Dm
Oh, it belongs to us
Bb C# (Eb)
Oh, and there s nothing we can t reach
F
Oh, we hold it all in our
Dm
fist, Like kids, like savages
G
And we ll run in the playground
Eb G# A Bb
If you just stay with me

Oh, through the red lights, the amber, I steal a look at you
Behind the wheel of another car
Oh, and nothing matters but these moments, I conjure the imagery
Of a different life, another path
