Artist: Suede
Title: Metal Mickey

 Notation: fb = feedback   2(p)0 = pull off

 INTRO:

```
 --------------------------------------------|
 --------------------1-----------------------|
 -0(fb)--2(p)0------0---0--------------------|
 ------------2(p)0-------0-------------------|
 -------------------------3--0---------------|_(effects) (I think he scrapes
the pick
 --------------------------------------------|          along the A string)
```

 The main rhythm is **A5 A5 G A5**:

```
 ---------------------------------|
 ---------------------------------|
 -2-2-0-2-2-----------------------|
```

```
-2-2-0-2-2-----------------------|
-0-0---0-0---etc.-----------------|
---------------------------------|
```

so the rest of the intro, as well as the verses, are

```
A5   G   D   C   A (with this lick thrown in:E|-2-3-2-3----|
                                             B|-2-2-2-2----|
                                             G|------------|
```

```
A5                                G       D             C     A
```
Well she s show showing it off then   the glitter in her lovely eyes
```
A5                                G       D             C     A
```
Show show showing it off then and all the people shake their money in time

CHORUS:

```
G   C    D    C G   C    D
```
She sells heart, she sells meat
```
     A    D    E        D    G    E
```
Oh Dad, she s driving me mad, come see

```
A5                                G                    D     C     A
```
We shake shake shake to the trumpet and through the slippery city we ride
```
A5                    G                    D             C     A
```
Skyline swine on the circuit where all the people shake their money in time

Repeat Chorus:

then **A5 G A5 G A5 G** etc. into solo (**A** blues pentatonic scale, centered
around 5th position: notes are **A C D E G**)

Repeat Chorus:

CODA:

```
A    D    E    D    A    D    E
```
She sells heart,   she sells meat (repeat and fade)
