

Obsessions

Suede

F#m Em

F#m Em A

F#m Em

It s the way you pick your clothes off the floor

F#m Em

It s the way you scratch your skin when you yawn

F#m Em

It s the t-shirts that you choose like you re in the Air Force

F#m Em A

Yeah the language that you use reacts like chemicals

CHORUS :

D Bm

Obsessions in my head

F#m

Don t connect with my intellect

Em

It s called obsession

A

Can you handle it?

D Bm

It s connected to the hip sounds

F#m

And it moves with the underground

Em

It s called obsession

A

When you re around

It s the way you close the doors of my car

It s the stupid things you bought with my credit card

It s the way you don t read Camus or Brett Easton Ellis

Yeah the TCP you use, it stings when we kiss
