B|-----2---2-----|
G|--2-----2-|
D|4---4---4---4---|
A|-----|
E|-----|
```

```
Em          Bm
Tomorrow youâ€™ll see it through
G          Am          Am7
The clouded out disguises put you in the room
D          C
And though I wandered out alone
G          D          Em          G
A thousand lights abounded on our home
```

```
C          G
And I remember every sound it made
D          Em          G
The clouded out disguises and the grave
C          G
So yeah I know Iâ€™m still afraid
D          Em          G          C
Of letting go of choices I have made
```

```
D
All Delighted people raise their hands
Em          Bm
And I took you by the sleeve
G          Am          C
No other reason than to be your leading man
Em          Bm          Bbm
And you woke up with a fright
G          Am          C
Our lives depended on the visions through the night
Em          Bm          Bbm
Oh we had always, Oh we had always wanted to before
G          Am          E
```
