Sufjan Stevens - All Delighted People tabbed by: Rob email: u_rmaher@umassd.edu Verse picking pattern: Em e|-----| B | -----| G | --2----2- | D | 4---4---| A | -----| E | -----| Em BmTomorrow you'll see it through The clouded out disguises put you in the room And though I wandered out alone A thousand lights abounded on our home C And I remember every sound it made G The clouded out disguises and the grave So yeah I know I'm still afraid G C Of letting go of choices I have made All Delighted people raise their hands And I took you by the sleeve No other reason than to be your leading man And you woke up with a fright Our lives depended on the visions through the night Em Oh we had always, Oh we had always wanted to before

```
The hurricane inclined us, grappling on the floor
All Delighted people raise their hands
Em
                        Bm
                            Bbm
Still the force of nature spurns
Ideas of strength and style abated by the burning basement
All Delighted people raise their hands
And I'm not easily confused
                                       G
The trouble with the storm inside us brews
But I have so much to give

And don't be rascal, don't be a laughing dogâ€|in spite of odds
