This is a super easy song.

G C G Bm Am  
G C G Bm Am

G C G  
When the revenant came down  
Bm Am  
We couldn't imagine what it was  
G C G  
In the spirit of three stars  
Bm Am  
The alien thing that took its form  
G D C  
Then to Lebanon  
G  
Oh, God  
Bm Am  
The flashing at night, the sirens grow and grow  
G D C G  
Oh, history involved itself  
Bm Am  
Mysterious shade that took its form  
G D  
Or what it was, incarnation  
G  
Three stars  
Bm Am  
Delivering signs and dusting from their eyes  
G C G D
