G **A**
Tell me what you saw in me
Em **A**
And I'll try to replicate it with a scene

Mm-mmm

G **A**
If it troubles you to breathe
Em **A**
Wait a moment; I could change the scenery

G **A**
Don't carry on carrying efforts, no no, oh oh oh oh
Em **A**
Somewhere there's a room for each of us to grow
G **A**
And if it pleases you to leave me, just go, oh oh oh oh
Em **A**
Stopping you would stifle your enchanting ghost

Mm-mmm

G **A**
It's only that I meant to bring
Em **A**
Love and liveliness to your breast on the scene

Mm-mmm

G **A**
Did you cut your hands on me?
Em **A**
Are my edges sharp? Am I a pest to feed?

(piano comes in)

G **A**

Donâ€™t carry on carrying regrets, oh no, oh oh oh oh

Em **A**

Somewhere thereâ€™s a room for us to speak alone

G **A**

And if it grieves you to stay here, just go, oh oh oh oh

Em **F#m**

For I have no spell on you, itâ€™s all a ghost

Mm-mmm

G **A**

I still have the things you gave...me

Em **A**

Four anointing oils, the paper weight you made

Mm-mmm

G **A**

For sure I havenâ€™t carried them

Em **A**

Or buried them in the name of your ghost, my friend

G **A**

Donâ€™t carry on carrying efforts; Donâ€™t go! No oh oh oh

Em **A**

Stay with me until I sleep within your host

G **A**

Or if it pleases you to leave me, just go, oh oh oh oh

Em **A**

Stopping you would stifle your enchanting ghost

Mm-mmm
