ARTIST: Sufjan Stevens
ALBUM: All Delighted People EP
SONG: From the Mouth of Gabriel

Tabbed by: Nrvous (y.wakeham@ugrad.unimelb.edu.au)

I suggest playing around with different strumming/picking styles to differentiate the various sections of the song. The actual track mixes up instrumentation and dynamics, so just listen to it to get a feel for which sections should be loud and which soft, etc.

Enjoy!
