G6 A9 Em A9

[Verse]
G   F#m/A
Oh, to see without my eyes
     Bm   Bm/A   F#m
The first time that you kissed me
G   F#m/A
Boundless by the time I cried
   Bm   Bm/A F#m
I built your walls around me
G   F#m/A
White noise, what an awful sound
 Bm   Bm/A   F#m
Fumbling by Rogue River
G   F#m/A
Feel my feet above the ground
 Bm   Bm/A   F#m
Hand of God, deliver me

[Chorus]
G6/E   A
Oh, oh woe-oh-woah is me
     Bm   A/C# D   D5/A D6/F#   A/E
The first time that you touched me
G6/E   A
Oh, will wonders ever cease?
Bm A/C# D D5/A D6/F# A/E
Blessed be the mystery of

love

G6 A9

Bm A9

[Verse]
```
G                        F#m/A
Lord, I no longer believe
Bm           Bm/A    F#m
Drowned in living waters
G                        F#m/A
Cursed by the love that I received
Bm           Bm/A    F#m
From my brother s daughter
G                        F#m/A
Like Hephaestion, who died
Bm           Bm/A    F#m
Alexander s lover
G                        F#m/A
Now my riverbed has dried
Bm           Bm/A    F#m
Shall I find no other?
```

[Chorus]
```
G6/E                     A
Oh, oh woe-oh-woah is me
     Bm A/C# D   D5/A D6/F# A/E
I m running like a plover
G6/E                       A
Now I m prone to misery
Bm A/C# D D5/A D6/F# A/E
The birthmark on your shoulder
```

[Instrumental]
```
G/B G/D D/F# A6/E
reminds me

G6 A9

Bm A9
```

[Verse]
```
G                        F#m/A
How much sorrow can I take?
Bm           Bm/A    F#m
Blackbird on my shoulder
G                        F#m/A
And what difference does it make
Bm           Bm/A    F#m
When this love is over?
G                        F#m/A
Shall I sleep within your bed
Bm           Bm/A    F#m
River of unhappiness
G                        F#m/A
Hold your hands upon my head
```

Bm   Bm/A   F#m
Till I breathe my last breath

[Chorus]
G6/E   A
Oh, oh woe-oh-woah is me
      Bm   A/C# D   D5/A D6/F#   A/E
The last time that you touched me
G6/E   A
Oh, will wonders ever cease?
Bm A/C# D D5/A D6/F# A/E
