

Size Too Small  
Sufjan Stevens

-----  
SIZE TOO SMALL - Sufjan Stevens  
-----

Tabbed by: lostpanda  
Email: kylelostpanda@yahoo.com

Tuning: standard

Intro: there is a little walk up to the chords

D|-----0-  
A|-0-3---

**Dm**            **Bb**            **F**            **C**  
I was the best man in a size too small  
**Dm**            **Bb**                            **F**        **C**  
You were my best friend, going at it all  
**Dm**            **Bb**                            **F**        **C**  
And what if I put off my inheritance  
**Dm**            **Bb**  
Where is the best man  
          **F**        **C**        **Bb**  
All arise us all in peace  
          **F**                    **C**  
I still know you  
          **F**                    **C**                    **Bb**  
And I still like you, the best man  
          **F**                    **C** (play intro walk)  
And I still owe you

**Dm Bb F C** (intro walk)

**Dm**            **Bb**            **F**            **C**  
Everything rises, going at it all  
**Dm**            **Bb**                            **F**        **C**  
All the surprises in a size too small  
**Dm**            **Bb**  
And what if I told you  
          **F**                    **C**  
I was still in love with this  
**Dm**            **Bb**  
Would you surprise us  
          **F**                    **C**        **Bb**  
In a size for all of me  
          **F**                    **C**  
I still know you  
          **F**                    **C**                    **Bb**

And I still like you, the best man

**F**                    **C**                    **Bb**

I still know you, the best man

**F**                    **C**

I still owe you
