**Sufjan Stevens**

[Intro]

**D/A / F#m/C# / G/B**

**D/A / F#m/C# / G/B**

[Verse]

**D            A/C#            D/F#**

Tonya Harding, my star

**G/B            Bm            A6**

Well this world is a cold one

**F#m7            Gmaj7**

But it takes one to know one

**D            A/C#            G/B**

And God only knows what you are

**D            A/C#            D/F#**

Just some Portland white trash

**G6/B            Bm            A6**

You confronted your sorrow

**F#m7            Gmaj7**

Like there was no tomorrow

**D            A/C#            G/B**

While the rest of the world only laughed

**D            A/C#            D/F#**

Triple axel on high

**G/B    Bm            A6**

A delightful disaster

**F#m7            Gmaj7**

You jumped farther and faster

**D            A/C#            G/B**

You were always so full of surprises

**D            A/C#    D/F#**

Are your laces untied?

**G/B            Bm            A6**

Whatâ€™s the frown on your face for?

**F#m7            Gmaj7**

And just what are the skates for now?

**D            A/C#            G/B**

Tell me which is your good side?

**D            A/C#            D/F#**

Are you lonely at night?

**G/B            Bm            A6**

Do you miss all the glory

**F#m7            Gmaj7**

And the mythical story

**D            A/C#            G/B**  
Of the Olympian life?

[Break]

**D/A / F#m/C# / G/B**  
**D/A / F#m/C# / G/B**

[Verse]

**D    A/C#            D/F#**  
Yamaguchi in red  
**G/B            Bm            A6**  
She had high rise and roses  
**F#m7            Gmaj7**  
And red-carpet poses  
**D            A/C#            G/B**  
And her outfit was splendid

**D            A/C#            D/F#**  
Nancy Kerriganâ€™s charm  
**G/B            Bm            A6**  
Well she took quite a beating  
**F#m7            Gmaj7**  
So youâ€™re not above cheating  
**D            A/C#            G/B**  
Can you blame her for crying?

**D            A/C#            D/F#**  
Tonya, you were the brightest  
**G/B            Bm            A6**  
Yeah you rose from the ashes  
**F#m7            Gmaj7**  
And survived all the crashes  
**D            A/C#            G/B**  
Wiping the blood from your white tights

**D            A/C#            D/F#**  
Has the world had its fun?  
**G/B            Bm            A6**  
Yeah theyâ€™ll make such a hassle  
**F#m7            Gmaj7**  
And theyâ€™ll build you a castle  
**D            A/C#            G/B**  
Then destroy it when theyâ€™re done

[Break]

**D/A / F#m/C# / G/B**  
**D/A / F#m/C# / G/B**

[Verse]

**D            A/C#            D/F#**  
Tonya Harding, my friend  
**G/B            Bm            A6**  
Well this world is a bitch, girl

**F#m7** **Gmaj7**  
Donâ€™t end up in a ditch, girl  
**D** **A/C#** **G/B**  
Iâ€™ll be watching you close to the end

**D** **A/C#** **D/F#**  
So fight on as you are  
**G/B** **Bm** **A6**  
My American princess  
**F#m7** **Gmaj7**  
May God bless you with incense  
**D** **A/C#** **G/B**  
Youâ€™re my shining American star

Shining American star

Shining American star  
**D/A** **F#m/C#** **G/B**  
Shining American star
