F [133211]
Am [x02210]
Em [022000]
Dm [x00231]

F
Circles on the floor,
 Am **Em**
I m getting down, low
 F
but things ain t right, you re gone,
 Am **Em**
I m losing ground, no

F
Do you remember when your head was mine?
 Am **Em**
it s all I ever think when it comes to you and I
 F **Dm**
no I can t feel right, how we couldn t seal the deal
 Am **Em**
the rhythm kept us going the only thing I feel (oh)

CHORUS

F **Am**
 So I m never gonna dance again,
 Em **F**
I lost my rhythm when you said it s over,
 Dm **Am**
And as the final record starts to fade,
 Em **F**
I feel the dance floor turning colder,
F **Am**
 And so I m never gonna dance again,

Em
Cause all the music in my world has faded,
 Dm **Am**
I know it s never gonna be the same,
 Em **F**
I guess our moves just never made it

VERSE

F
Fron the start, A work of art
 Am **Em**
A picture perfect painting that I stored in my heart
 F **Dm**
we weren t so bright you know we couldn t get it right
 Am **Em**
our bodies intertwined now I can t get you out my mind

F
as we danced you know our feelings show
 Am **Em**
you oughtta know you got me
 F **Dm**
as we danced and flowed my heart exposed
 Am **Em**
now I m alone you lost me baby

F **Am**
And so I m never gonna dance again,
 Em **F**
I lost my rhythm when you said it s over,
 Dm **Am**
And as the final record starts to play,
 Em **F**
I feel the dance floor turning colder,
F **Am**
And so I m never gonna dance again,
 Em **F**
Cause all the music in my world has faded,
 Dm **Am**
Oh no it s never gonna be the same,
 Em **Am**
I guess the moves just never made it

Am - F - Am - F

F
I m getting down but the rhythm s all wrong

the record goes around, they re playing our song
I gave into the groove but it s giving me pain
there s nothing you can do for me Mr. DJ

And so I m never gonna dance again,
I lost my rhythm when you said it s over,
And as the final record starts to play,
I feel the dance floor turning colder,

And so I m never gonna dance again,
Cause all the music in my world has faded,
On no it s never gonna be the same,
I guess the moves just never made it

it s over, it s over
and so I m never gonna dance again
it s over, it s over
and so I m never gonna dance again

it s over, it s over
and so I m never gonna dance again
it s over, it s over
