

**Too Lost In You**  
**Sugababes**

**C#m**

You look into my eyes

**G#m**

I go out of my mind

**A**

I can't see anything

**E**

Cos this love's got me blind

**F#m**

I can't help myself

I can't break the spell

**C#m**

I can't even try

I'm in over my head

You got under my skin

I got no strength at all

In the state that I'm in

And my knees are weak

And my mouth can't speak

Fell too far this time

Chorus

**F#m**

**G**

Baby, I'm too lost in you

**F#m**

Caught in you

Lost in everything about you

**C#m**

**G**

So deep, I can't sleep

**F#m**

I can't think

**G**

I just think about the things that you do (you do)

**C#m**

I'm too lost in you

(Too lost in you)

ooh

Well you whispered to me

And I shiver inside

You undo me and move me

In ways undefined

And you're all I see

And you're all I need

Help me baby (help me baby)  
Help me baby (help me now)

Cos I m slipping away  
Like the sand to the tide  
Flowing into your arms  
Falling into your eyes  
If you get too near  
I might disappear  
I might lose my mind  
oohh

## Chorus

Bridge :

**B**

I m going crazy in love for you baby  
(I can t eat and I can t sleep)

**B** I m going down like a stone in the sea  
**A** Yeah, no one can rescue me

**F#m**  
(No one can rescue me)  
ooh ooooh

Oooh, my baby  
Oooh, baby, baby, baby

Chorus

I m lost in you  
I m lost in you  
I m lost in everything about you  
So deep (so deep), I can t sleep (no,no,no)  
I can t think  
I just think about the things that you do (you do)  
I m too lost in you  
(Too lost in you)
